So You want to be a Restaurateur in Maine

To become a restaurateur in the State of Maine there are several decisions you will need to make as you develop your business plan. To assist you in your decision-making process, we are providing the following information to help you navigate the regulations in Maine.

Some basic questions that you need to decide:

1. What do I want to serve for alcoholic beverages?
2. Who will be my customer base?
3. How much food do I want to serve food and what will my menu options be?

Let's start with the class of restaurant that you want to be and the alcohol you wish to serve. There are several classes of restaurants licenses to sell alcoholic beverages, and below is the class of license, the alcoholic beverages that can be served and the annual license cost:

1. Class A Restaurant
 - a. Class I Spirits, Wine, Beer \$ 900.00
 - b. Class II Spirits only \$ 550.00
 - c. Class III Wine only \$ 220.00
 - d. Class IV Beer only \$ 220.00
2. Class A Restaurant-Lounge
 - a. Class XI Spirits, Wine, Beer \$ 1500.00
3. Class A Lounge
 - a. Class X Spirits, Wine, Beer \$ 2200.00
4. Restaurant
 - a. Class III Wine Only \$ 220.00
 - b. Class IV Beer Only \$ 220.00
 - c. Class III/IV Wine and Beer \$ 440.00

Who will be your customer base? This becomes an important decision because there are restrictions on some licenses that prohibit or restrict admission to the establishment.

1. Class A restaurant
 - a. General public of all ages is permitted to dine in the establishment
 - b. Age restricted service of alcohol
2. Class A Restaurant-Lounge
 - a. General public of all ages is permitted to dine in the establishment
 - b. Age restricted service of alcohol
3. Class A Lounge
 - a. Admission is restricted to those over the age of 21, minors are prohibited from the establishment generally
 - i. Exception. Minors are permitted to dine in the establishment if accompanied by parent or legal guardian who is over the age of 21
 - ii. Exception. Minors are permitted in the establishment without a parent or legal guardian if in the scope of their employment at the establishment
 - b. Age restricted service of alcohol
4. Restaurant
 - a. General public of all ages is permitted to dine in the establishment
 - b. Age restricted service of alcohol

Once you have selected the kind of alcohol you wish to serve, and you have selected your customer base, the next decision point is your menu options. There are statutory requirements that govern the type of food that must be on your menu in order to qualify for the class of restaurant you wish to establish.

1. Class A restaurant
 - a. Kitchen must remain open and staffed during all hours of operation and must offer full meals during all hours of alcohol service
 - i. Full meals are defined as a meal consisting of a diversified selection of food that ordinarily cannot be consumed without the use of tableware and that cannot be conveniently consumed while standing or walking
 - b. There must be at least 3 menu items that require the use of utensils to consume the food in order to qualify for this license
 - c. On hand inventory of food must equal \$2.00 per seat in the establishment
2. Class A Restaurant-Lounge
 - a. Kitchen must remain open and staffed until 9:00pm and must offer full meals up until 9:00pm
 - i. Full meals are defined as a meal consisting of a diversified selection of food that ordinarily cannot be consumed without the use of tableware and that cannot be conveniently consumed while standing or walking

- ii. There must be at least 3 menu items that require the use of utensils to consume the food in order to qualify for this license
 - b. On hand inventory of food must equal \$2.00 per seat in the establishment
- 3. Class A Lounge
 - a. Food must be available during all hours of service of liquor
 - i. Food includes cold or hot meals, including sandwiches and salads, but is not limited to hamburgers, cheeseburgers, hot dogs, pizzas and other food items that customarily appear on a restaurant menu. Food does not include prepackaged snack foods such as popcorn, chips or pretzels.
 - b. On hand inventory of food must equal \$2.00 per seat in the establishment
- 3. Restaurant
 - a. Food must be available
 - i. Food includes cold or hot meals, including sandwiches and salads, but is not limited to hamburgers, cheeseburgers, hot dogs, pizzas and other food items that customarily appear on a restaurant menu. Food does not include prepackaged snack foods such as popcorn, chips or pretzels.
 - b. 10% of all sales must be in food.
 - c. On hand inventory of food must equal \$2.00 per seat in the establishment

Location, location, location. This is very important in your business plan. There are rules that govern the amount of food you must sell, and location of your establishment plays a important part in the minimum sales requirements for food. Population of the municipality where your establishment is located determines the requirements for minimum sales of food.
