

# TALK TO YOUR PATIENTS ABOUT BOTH TYPES OF MENINGITIS VACCINES

They must have received all doses of the MenACWY and MenB vaccines to be fully vaccinated against meningococcal meningitis.

The Centers for Disease Control and Prevention (CDC) recommends:

-  @MeningitisBActionProject
-  @MenBAction
-  MeningitisBActionProject.org
-  /MeningitisBActionProject

## Meningitis B Action Project

a joint initiative by The Kimberly Coffey Foundation and The Emily Stillman Foundation
