**INTRODUCTION**

This document is a Consent Agreement (“Agreement”) regarding Therese Lauritano’s (“Ms. Lauritano” or “Licensee”) license to practice registered professional nursing in the State of Maine. The parties to this Agreement are Ms. Lauritano, the Maine State Board of Nursing (“Board”) and the Office of the Attorney General, State of Maine. The parties enter into this Agreement pursuant to 10 M.R.S.A. § 8003(5), (A-1) (4) and 10 M.R.S.A. § 8003(5) (B). The Board met with Ms. Lauritano on October 7, 2009 in an informal conference. The parties reached this Agreement on the basis of 1) a Board Notice of Complaint/Provider Report dated June 17, 2009, with information from Maine Medical Center dated April 28, 2009; and 2) Ms. Lauritano’s response of June 30, 2009.

**FACTS**

1. Therese Lauritano has been a registered professional nurse licensed to practice in Maine since July 1998.
2. Therese Lauritano admits that on multiple occasions she diverted controlled medications for her own personal use. An anomaly usage report from Maine Medical Center indicated that she withdrew Fentanyl on March 8, 2009 for a patient who had already been discharged. Ms. Lauritano also admitted to diverting one dose of morphine for her own personal use.
3. When confronted about the diversion, Ms. Lauritano agreed to seek treatment and immediately began a medical leave of absence from her employment at Maine Medical Center. She continues treatment with a psychiatrist and psychologist and attends NA/AA three to seven times a week.
4. In lieu of an adjudicatory hearing, Ms. Lauritano has agreed to enter this Agreement with the Board.

**AGREEMENT**

5. Therese Lauritano understands and agrees that based upon the above-stated facts, this document imposes discipline regarding her license to practice as a registered professional nurse in the State of Maine. The grounds for discipline for violations are under 32 M.R.S.A. § 2105-A(2)(A), (2)(B), (2)(F), (2)(H) and Chapter 4, sections 1(A)(1), 1(A)(2), 1(A)(6), 1(A)(8) and Chapter 4, sections 3(K), 3(P) and 3(Q) of the Rules and Regulations of the Maine State Board of Nursing.   - b. M.R.S.A. § 2105-A (2) (B). Habitual substance abuse that has resulted or is foreseeably likely to result in the licensee performing services in a manner that endangers the health or safety of patients. (See also Rule Chapter 4, Section 1.A.2.)
  - c. M.R.S.A. § 2105-A (2) (F). Unprofessional Conduct. Ms. Lauritano engaged in unprofessional conduct because she violated a standard of professional behavior that has been established in the practice for which she is licensed. (See also Rule Chapter 4, Section 1.A.6.)
  - d. M.R.S.A. § 2105-A (2) (H). A violation of this chapter or a rule adopted by the Board. (See also Rule Chapter 4, Section 1.A.6.)
  - e. Rule Chapter 4, Section 3. Unprofessional Conduct: *Nursing behavior which fails to conform to legal standards of the nursing profession, and which could reflect adversely on the health and welfare of the public shall constitute unprofessional conduct and shall include, but shall not be limited to, the following:*
    - Chapter 4, Section 3(K). Ms. Lauritano inaccurately recorded, falsified or altered a health care provider record.
    - Chapter 4, Section 3(P). Ms. Lauritano diverted drugs from patients and a health care provider.
    - Chapter 4, Section Q. Ms. Lauritano possessed, obtained and administered prescription drugs to herself, except as directed by a person authorized by law to prescribe drugs.
6. Therese Lauritano's license as a registered professional nurse is placed on probation with conditions. The period of probation will commence upon her return to nursing practice, and will be for a period of five years, effective only while she is employed in nursing practice and/or enrolled in a clinical nursing education program. For purposes of this Agreement, nursing employment is any employment during which Ms. Lauritano performs nursing services. Her probationary license will be subject to the following conditions:
- a. Therese Lauritano shall fully comply and cooperate with the representatives of the Board in its monitoring and investigation of her compliance with probation. She shall inform the Board in writing within 15 days of any address change.
  - b. Therese Lauritano will abstain completely from the use of alcohol or drugs, with the exception of substances used in accordance with a valid prescription from a health care provider who is aware of her substance abuse history.

c. Therese Lauritano agrees that she will participate in the Medical Professionals Health Program (“MPHP”) which, in conjunction with the Board, will monitor her substance abuse treatment and abstinence from the use of alcohol and drugs. She also understands and agrees that she will continue in her aftercare treatment program to such an extent and for as long as her treatment providers recommend.

d. Therese Lauritano will arrange for and ensure the submission of quarterly reports to the Board by her treatment providers and such reports shall continue until her probation is terminated. If her treatment is terminated during her probation, she shall notify the Board and provide written documentation.

e. Therese Lauritano’s employment is restricted during the period of probation to structured settings with on-site supervision by another registered professional nurse. Structured settings shall not include assignments from temporary employment agencies, home health, school nursing, work as a travel nurse or within the correctional system.

f. Therese Lauritano will notify the Board in writing within five business days after she obtains any nursing employment and/or an educational program in the field of nursing. Notice under this section shall include the place and position of employment or the nursing educational program. If during the period of probation, her employment as a nurse or her educational program in the field of nursing terminates, she shall notify the Board in writing within five business days after she is terminated or separated, regardless of cause, with a full explanation of the circumstances.

g. Therese Lauritano will notify any and all of her nursing employers and faculty involved in any clinical studies of the terms of this Agreement and provide them with a copy of it.

h. Therese Lauritano will arrange for and ensure the submission to the Board of quarterly reports from her nursing employer and/or clinical faculty regarding her general nursing practice, which is to include clinical competency, ability to follow policies and procedures relative to standards of practice, and clinical documentation.

i. Therese Lauritano agrees and understands that the Board and the Office of the Attorney General shall have access to any and all medical records and all otherwise confidential or medically privileged information pertaining to her treatment for substance abuse which the Board deems necessary to evaluate her compliance with the Agreement and her continued recovery. She shall provide such information, authorize the release of such records and information, and authorize any such discussions and communications with any and all persons involved in her care, counseling and employment as may be requested by the Board.

7. Therese Lauritano agrees and understands that her license will remain on probationary status and subject to the terms of this Agreement beyond the five-year probationary period until and unless the Board, at her written request, votes to terminate her probation.

When considering whether to terminate the probation, the Board will consider the extent to which Ms. Lauritano has complied with the provisions of this Agreement.

8. Therese Lauritano understands and agrees that if any member of the Board or the Board's Executive Director receives reasonably reliable information suggesting that she has not remained substance free in accordance with this Agreement, her license will be immediately and automatically suspended pending further review by the Board. In the event any member of the Board or its Executive Director receives such information, the information will be immediately forwarded to Ms. Lauritano for response. She understands and agrees that in such an event, her license shall remain suspended pending a hearing. The Board shall hold a hearing within 60 days of the automatic suspension unless both the Licensee and the Board agree to hold the hearing later, or the Executive Director and/or the Office of the Attorney General earlier determine that such information is without merit. If the information received is proven to be inaccurate or incorrect, either through hearing or determination by the Executive Director and/or the Office of the Attorney General, Ms. Lauritano's license will be immediately reinstated retroactive to the date of suspension.
9. If Ms. Lauritano violates any other condition of her probation, the Board will give written notice to the Licensee regarding her failure to comply. Notice will be sent by certified mail, return receipt requested, to the last known address of the Licensee that is on file with the Board. She has 30 days from receipt of this notification to respond to the Board, in writing, regarding the alleged violation. The Board will review the Licensee's timely response to determine what action, if any, it determines to take. If the Licensee fails to timely respond to the Board's notification regarding her failure to comply, her license will be immediately suspended pending a hearing at the next regularly scheduled Board meeting. If after notice and a hearing, the Board finds that the Licensee has failed to meet the conditions of probation, the Board may take any disciplinary action which it deems appropriate and impose any of the sanctions including, but not limited to, that found in Title 10 M.R.S.A. § 8003 and Title 32 M.R.S.A. § 2105-A.
10. The State of Maine is a "party state" that has adopted the Nurse Licensure Compact ("Compact"), which is set out in Chapter 11 of the Rules and Regulations of the Maine State Board of Nursing. The State of Maine is Ms. Lauritano's "home state" of licensure and primary state of residence, which means she has declared the State of Maine as her fixed permanent and principle home for legal purposes; her domicile. Other party states in the Compact are referred to as "remote states," which means party states other than the home state that have adopted the Compact. Ms. Lauritano understands this Agreement is subject to the Compact. She agrees that during the pendency of this Agreement, her nursing practice is limited to the State of Maine as it pertains to the Compact. If Ms. Lauritano wishes to practice in any other party state within the Compact, she shall arrange to have the party state in which she intends to practice provide the Board with written authorization that she has been approved to practice in that state.
11. This Agreement is a public record within the meaning of 1 M.R.S.A. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S.A. § 408.

12. Therese Lauritano understands that she does not have to execute this Consent Agreement and has the right to consult with an attorney before entering into the Agreement.
13. Therese Lauritano affirms that she executes this Agreement of her own free will.
14. Modification of this Agreement must in writing and signed by all parties.
