On September 4, 2008, the Maine State Board of Nursing (“ME Board”) considered Christine A. Sanborn’s reinstatement application for licensure as a registered professional nurse. The parties enter into this Agreement pursuant to 10 M.R.S.A. § 8003(5), (A-1) (4) and 10 M.R.S.A. § 8003(5) (B). The parties to this Agreement are Christine A. Sanborn (“Licensee”), the ME Board and the Office of the Attorney General, State of Maine.

FACTS

1. Christine A. Sanborn’s registered professional nurse license lapsed in December 2005. She is currently licensed in the State of Massachusetts as a registered professional nurse, License #RN214397. The ME Board received her reinstatement application for licensure as a registered professional nurse on August 1, 2008. In addition to her application, she disclosed that she has a disciplinary action pending in Massachusetts with the Massachusetts Board of Registration in Nursing (“MA Board”), Docket No. RN-07-008.
2. On September 4, 2008, the ME Board voted to approve a provisional license for Ms. Sanborn to practice as a registered professional nurse in the State of Maine until the disciplinary matter in Massachusetts is resolved by the MA Board.

nursing; notice under this section shall include the place and position of employment or the nursing educational program. If during the period of probation, Ms. Sanborn's employment as a nurse or her educational program in the field of nursing terminates, she shall notify the Board in writing within five business days after she is terminated or separated, regardless of cause, from any nursing employment or nursing educational program with a full explanation of the circumstances surrounding the termination or separation.

d. Christine A. Sanborn will notify any and all of her nursing employers and faculty involved in any clinical studies of the terms of this Consent Agreement and shall provide them with a copy of it.

e. Christine A. Sanborn will arrange for and ensure the submission to the Board of quarterly reports from her nursing employer and/or clinical faculty regarding her general nursing practice, which is to include clinical competency, ability to follow policies and procedures relative to standards of practice, and clinical documentation.

f. Christine A. Sanborn understands and agrees that her provisional license will remain subject to the terms of this Agreement until the above-referenced matter before the MA Board is resolved and until she meets with the ME Board after said resolution. The ME Board reserves the authority to approve, condition or deny Ms. Sanborn's renewal application based on the outcome of the MA Board's pending disciplinary matter. In addition, when considering whether to approve, condition or deny Ms. Sanborn's renewal application, the ME Board will consider the extent to which she has complied with the provisions of this Agreement.

4. If Ms. Sanborn violates the conditions of her provisional license, the ME Board will give written notice to her regarding her failure to comply. Notice will be sent by certified mail, return receipt requested, to the last known address of Ms. Sanborn that is on file with the ME Board. Ms. Sanborn has 30 days from receipt of this notification to respond to the ME Board, in writing, regarding the alleged violation. The ME Board will review her timely response to determine what action, if any, it determines to take. If Ms. Sanborn fails to timely respond to the ME Board's notification regarding failure to comply, her provisional license will be immediately suspended.
5. The State of Maine is a "party state" that has adopted the Nurse Licensure Compact ("Compact"), which is set out in Chapter 11 of the Rules and Regulations of the Maine State Board of Nursing. The State of Maine is Ms. Sanborn's "home state" of licensure and primary state of residence, which means that she has declared the State of Maine as her fixed permanent and principle home for legal purposes; her domicile. Other party states that are in the Compact are referred to as "remote states," which means party states other than the home state that have adopted the Compact. Ms. Sanborn understands that this document is an Agreement that is subject to the Compact. She agrees that during the pendency of this Agreement, her nursing practice may be limited to the State of Maine as it pertains to the Compact. If Ms. Sanborn wishes to practice in any other party state within the Compact, she shall arrange to have the party state in which she intends to

practice provide the ME Board with written authorization that she has been approved to practice in that state.

6. This Agreement is a public record within the meaning of 1 M.R.S.A. § 402 and will be available for inspection and copying by the public pursuant to 1 M.R.S.A. § 408.
7. Christine A. Sanborn understands that she does not have to execute this Agreement and has the right to consult with an attorney before entering into the Agreement.
8. Christine A. Sanborn affirms that she executes this Agreement of her own free will.
9. Modification of this Agreement must be in writing and signed by all parties.
10. This Agreement is not subject to review or appeal by Ms. Sanborn, but may be enforced by an action in the Superior Court.
