Dear Maine Livestock and Poultry Dealers,

It's that time of year again – time to renew your Livestock/Poultry Dealers' License and Agent(s) authorization if that applies to you. Whether you transport livestock in Maine or across state lines, you are a key step in preventing the spread of animal diseases. You do this with recordkeeping of where you buy and sell animals and by ensuring your livestock cargo cross state lines with a CVI and official identification.

****NEW THIS YEAR – OPTION FOR ONLINE APPLICATION!****

Enclosed you will find the following:

- 1) A summary of the Livestock and Poultry Dealers License requirements for Maine, in case you have any questions about who should be licensed.
- 2) A license renewal application – **please return this to our office, with appropriate payment, at your earliest convenience.** See the application for instructions by mail or online option.

We greatly appreciate your prompt return of the renewal form, as your current license expires on **July 1, 2024.**

If you have any questions about your license, or the renewal/application process, please don't hesitate to call us at **(207) 287-3701** or email **AnimalHealth.AGR@maine.gov**. Please leave a voice message or send an email message and an Animal Health staff person will get back to you as soon as possible.

Sincerely,

Dr. Stefanie Bolas
