Editing Vaccines.

You must have proper user permissions to perform this operation. Email animal.welfare@maine.gov if you need to edit vaccines.

Go to main page and search for your animal

Click on the animal number to get to the animal record.

Once you are in the animal record, look for the EXAM (NOT the vaccine) and click on the Exam number.

Click on the Exam number.

Then choose the Medical Care tab

Scroll to the bottom and find your vaccination, click on the green vaccination number.

Then you will check and immediately uncheck the "Lock Record" box at the bottom.

You will then be able to scroll up and edit as necessary. Then click Update Medical Care Item to save the changes.

Once you click Update Medical Care Item, the updated date will show in the vaccine box below
