Potential Location of High Value Agricultural Land Androscoggin County, ME

3.6% Prime Farmland Soils
4.1% Farmland of Statewide Importance

This map is intended to help identify the potential location of high-value agricultural land (HVAL) based on some characteristics of HVAL as defined in DACF Rule Chapter 575. The potential location of HVAL shown in this map is a preliminary representation based on publicly available data. A field survey is required to determine if a property contains HVAL.
