## Inquiry Form

The LMF Inquiry Form is used by LMF and Designated State Agency (DSA) staff to evaluate project eligibility and appropriate DSA sponsorship. Before preparing your Inquiry Form, please review the Board Policies and Guidelines and Threshold Criteria published in the LMF workbook. You can read more about the DSA land conservation priorities in Appendix B.

The proposal process begins with the submission of your Inquiry Form and the required attachments to LMF. LMF and DSA staff will jointly review inquiries to determine whether the project meets program eligibility requirements and to identify the appropriate sponsoring agency based on the purposes of the project, the resources to be protected, and DSA staff capacity.

Applicants should not contact DSA staff before submitting the Inquiry Form to LMF.

Conservation and Recreation inquiries will be accepted on a continuous basis from **November 27, 2024 to January 17, 2025**. Water Access inquiries may be submitted at any time. Applicants are encouraged to submit this Inquiry Form as early as possible to give themselves ample time to prepare a full proposal. Inquiry Forms should be submitted to LMF via email or hard copy at the address below.
