RE: Utility Accommodation Rules
Big Moose Development – Route 6/15

Dear Mr. Dieterich,

This letter is in response to your request for a clarification of the Maine Department of Transportation (MaineDOT) Utility Accommodation Rules as it applies to the development of the Big Moose Ski Resort on Route 6/15 in Big Moose Twp.

The MaineDOT Utility Accommodation Rules allows for the placement of utilities inside the public way under the conditions that the utility is installed in accordance with these rules and that the utility is owned by an authorized entity, also defined in the rules. Permits required for the installation of buried sanitary sewer line on Route 6/15 include a utility location permit and a highway opening permit.

If you would like to further discuss this situation, please feel free to contact me at the Region 3 Office at (207) 562-4228

Sincerely,

BUREAU OF MAINTENANCE & OPERATIONS
