CMP objects to this filing, and the continued supplemental testimony filings from Groups 2 and 10 that ignore the deadlines imposed by the presiding officers in this proceeding. Further, this filing does not rectify the problems with the Group 2 and 10 witness testimony that we identified in our March 7, 2019 Motion to Strike, other than adding LUPC to the case captions.

Good afternoon,

Attached please find Group 2 and 10's revised cover pages for witness pre-filed testimony. The cover pages now discern if the witness is an intervenor in both the DEP and LUPC or just the LUPC.

Please insert and replace the originally filed cover pages with the attached.

Per the Third Procedural Orders, hard copies will be provided to both the Department and the Commission.

Thank you.

Stacy Laughton
