STATE OF MAINE
DEPARTMENT OF TRANSPORTATION
BUREAU OF PROJECT DEVELOPMENT
LOCATION PERMIT FOR CONDUIT AND BURIED CABLE

CARRABASSET &
WYMAN
CMP

PERMIT NO. 1001-0006-05

Pursuant to Title 35-A, M.R.S.A. Section 2503, to the Central Maine Power Company its successors and assigns, is hereby granted a Location Permit to construct, maintain and operate conduit and manholes with wires, and cables therein, buried cable, pedestals, posts, (not poles), markers and all necessary supporting, protective and associated appurtenances as are necessary to adequately serve its customers upon, along and across highways in the Towns of Carrabasset Valley & Wyman Township in Franklin County, as outlined below:

HIGHWAYS:

STATE	S.A.	F.A.S.	F.A.P.	F.A.I.	F.A.U.	ROUTE	NAME
41			41			16 & 27	

PERMIT AREA (S):

In Carrabasset: On State Highway 41 (Route 16 & 27) at the Carrabasset Valley-Wyman Township town line, extending Southeasterly approximately 320 feet.

In Wyman Township: On State Highway 41 (Route 16 & 27) at the Wyman Township-Carrabasset Valley town line, extending Northwesterly approximately 1280 feet.

APPLICANT'S DESCRIPTION:

See attached application dated June 8, 2005.

Applicant's Plan No. none Dated 6/8/05 is attached hereto: 1 Sheet(s).

PUBLICATION:

Published in the Original Irregular and the Morning Sentinel on 5/25/05 and 5/21/05.
No objections received.

SPECIAL CONDITIONS:

For a buried electrical installation, conduit shall be placed in a trench at least 36 inches deep encased in concrete and marked with warning tape 18 inches above the facility as specified in Section 9 of the Departments Utility Accommodation Policy.

THIS PERMIT CANCELS PERMIT # 1001-0002-04 BECAUSE WORK WAS NOT COMPLETED WITHIN THE 12 MONTH TIME FRAME.

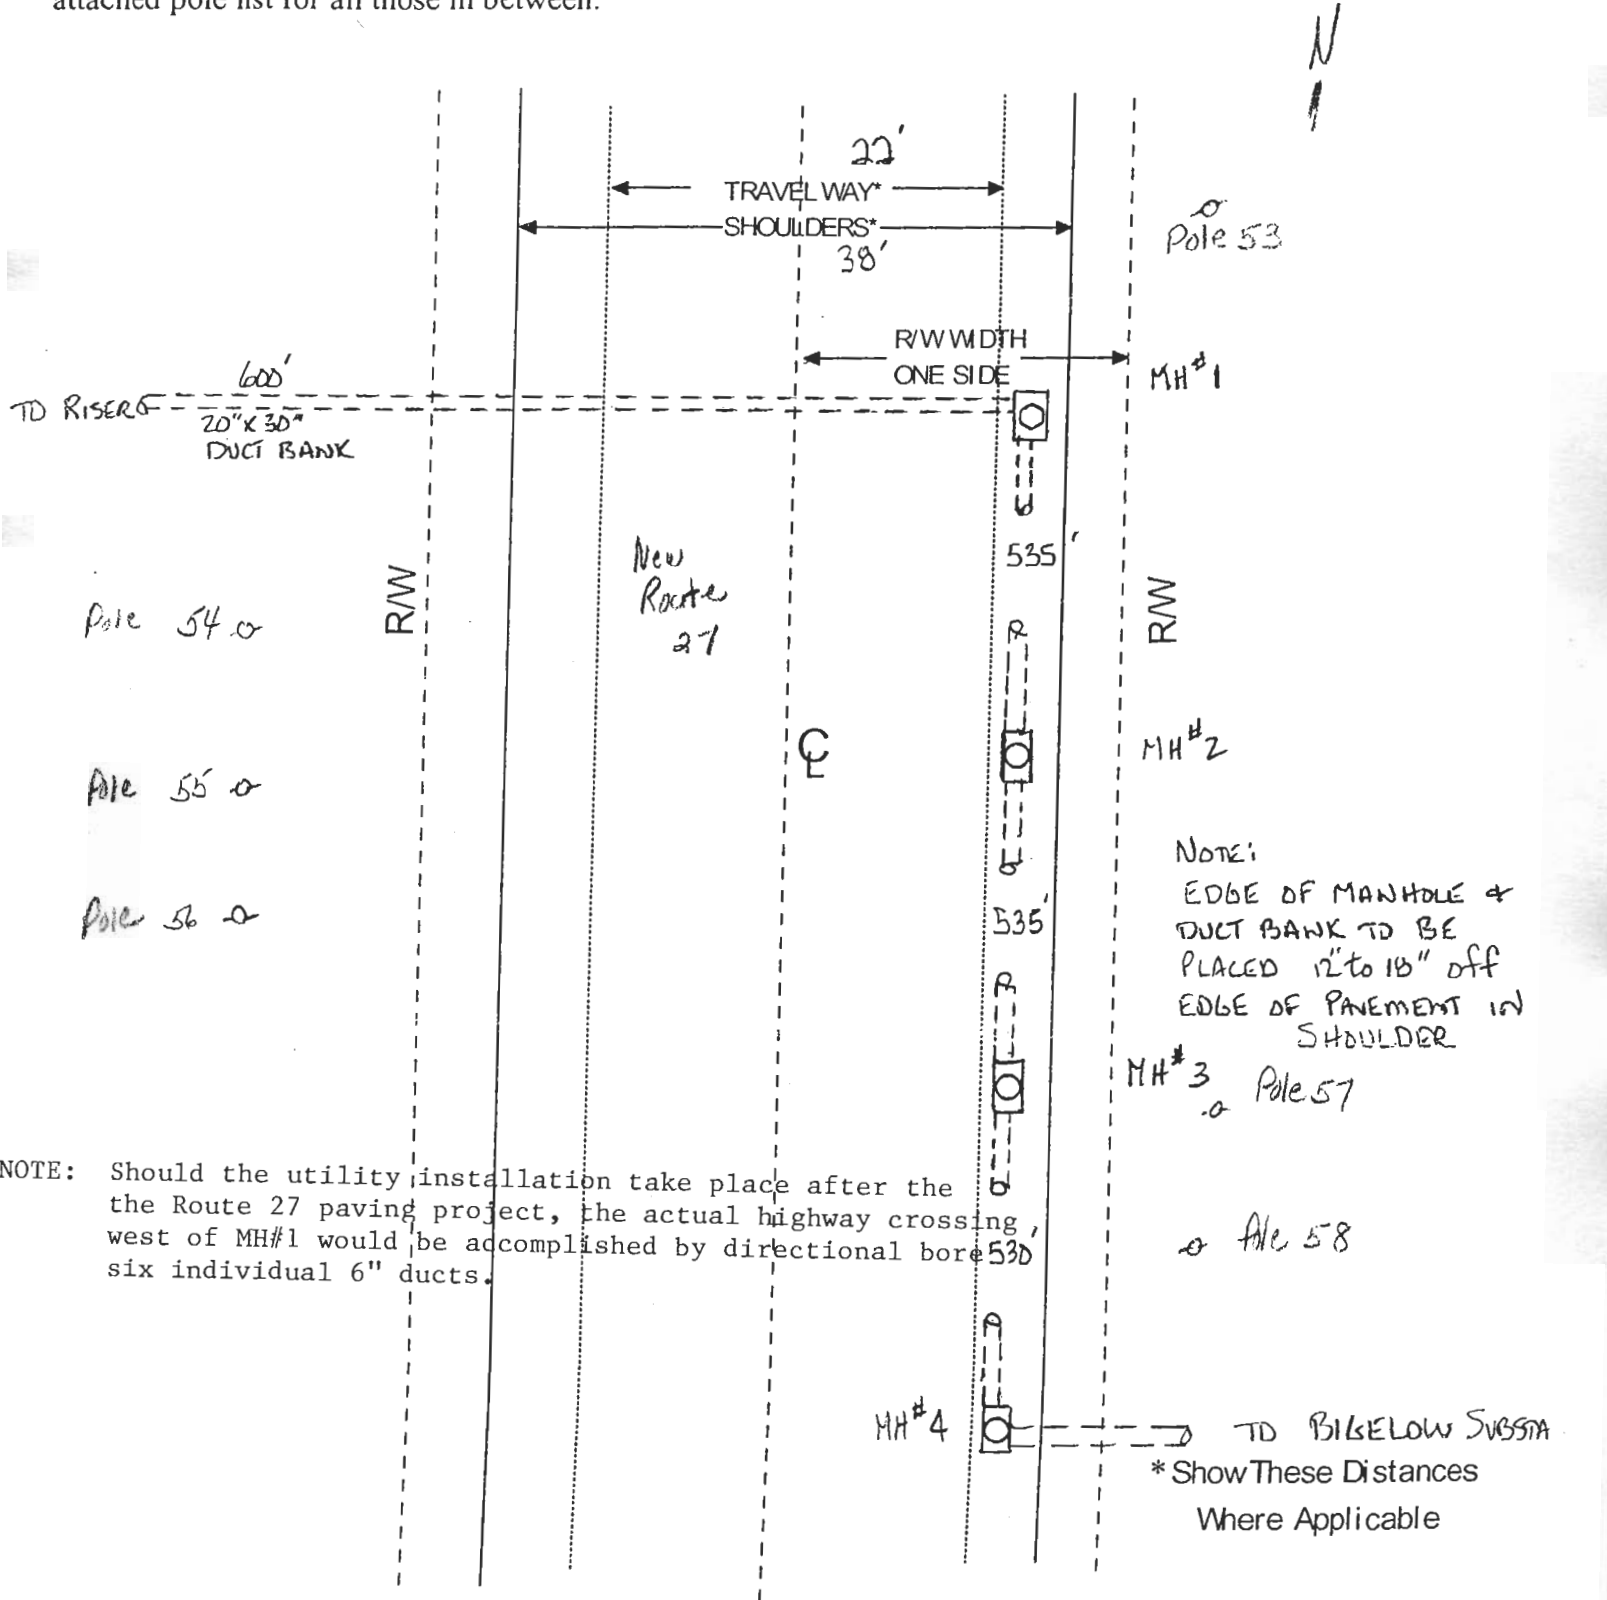

DESIGN AND CONSTRUCTION shall comply with the National Electrical Safety Code and the Department's "Highway Opening Permits". **Minimum depth shall be 36 inches.**

WORK SHALL BE COORDINATED WITH EXISTING UTILITIES IN THE AREA OF THIS PERMIT.

APPLICANT TO OBTAIN HIGHWAY OPENING PERMIT FROM the MaineDOT – Dixfield Region.

UTILITY NAME: Central Maine Power Co. DATE: 06/08/05
 TOWN: Larrabusse # Valley / Wyman Township MDOT PIN #: _____

The purpose of this "Sketch Plan" is to show the location of the proposed facility in relation to the highway. This plan is not necessarily drawn to scale, however, all reference points, offset distances and lengths must be accurately indicated. Multiple utility pole installations associated with MDOT projects may indicate the first and last pole in relation to the reference point described on the first sheet (including the project stations) and then reference an attached pole list for all those in between.

RE: Application for Utility Location Permit – Carrabasset Valley/Wyman Township

Dear Wanda:

In accordance with the MDOT Utilities Accommodations Policy, please be advised that all known utilities have been made aware of the above noted project as follows:

1. Carrabasset Valley Sanitary District – Joe Puleo, Operation, (207-237-3642) – contacted 5/10/05 – no sewer utilities along route 27 in that area
2. TDS Telephone – Benjie Ladabour, Senior Network Associate (207-634-7300) – contacted 5/11/05 – no issues providing proposed facilities are located in the state right of way
3. Adelpia Cable Company – Doug Sanborn, Construction Manager (207-623-3685) – contacted 5/23/05 – no issues

Sincerely,

Catherine J. Thibeault
Manager, T&D Support
