NOTICE OF PUBLIC HEARING

ADDITIONAL PUBLIC COMMENT SESSION

PICKETT MOUNTAIN MINE REZONING APPLICATION, ZP779A WOLFDEN MT. CHASE, LLC T6 R6 WELS, PENOBSBOT COUNTY

PURPOSE: Pursuant to Chapter 12, Section 4,A of the Commission's rules, the Land Use Planning Commission will be holding a public hearing and seeking public comment on Wolfden Mount Chase LLC's (20 Main Street, Patten, ME 04765) application for a zone change for the proposed Pickett Mountain Mine Project (ZP779A). Wolfden proposes to rezone approximately 374 acres of land it owns in T6 R6 WELS from the General Management and Protection Subdistricts to a Planned Development Subdistrict (D-PD). The purpose of the proposed D-PD subdistrict is to develop and operate a metallic mineral mine.

The purpose of the hearing is to allow the applicant and members of the public the opportunity to present testimony and evidence as to whether the applicant's proposal meets the statutory criteria for approval under the provisions of 12 M.R.S. § 685-A(8-A); Sections 10.08 and 10.21,H of the Commission's Chapter 10 rules, *Land Use Districts and Standards*; and Section 4,B of the Commission's Chapter 12 rules, *Mining and Level C Mineral Exploration Activities*. The hearing will be governed by the Maine Administrative Procedure Act (5 M.R.S. Chapter 375) and Chapter 5 of the Commission's rules, *Rules for the Conduct of Public Hearings*.

TIME AND PLACE: The Commission will hold an additional public comment session on the evening of Monday, October 23, 2023, at the Cross Insurance Center, 515 Main St., Bangor, ME. The session will begin at 6:30 p.m. with the Presiding Officer determining the end time. The Commission anticipates that this session will be heavily attended, and speakers will likely be limited to 3 minutes each, based on the number of individuals interested in offering testimony. Members of the public who wish to speak may begin arriving at 6:00 p.m. to sign up on the list of speakers.

This public comment session will be live-streamed to allow interested persons to follow the proceedings remotely. Information on accessing the livestream will be made available on the LUPC's website and through the email notification list for the Wolfden Pickett Mountain Mine rezoning (see Future Notifications below).

This hearing session is in addition to those sessions being held in Millinocket, October 16 – 18, 2023, and described in an earlier notice (available on the LUPC's webpage for the project, https://www.maine.gov/dacf/lupc/projects/wolfden/wolfden_rezoning.html). Members of the public may not speak during more than one public comment session.

CONTINUANCE OF HEARING: As provided by Section 5.09 of the Commission's rules, this hearing may be continued and reconvened from time to time and from place to place by the Presiding Officer as circumstances require. The Presiding Officer shall provide reasonable notice to parties and the public of the time and place of any such reconvened hearing.

HOW TO PARTICIPATE: All members of the public are invited to attend and offer testimony relevant to the Commission's review of the proposal. The public is not required to submit written testimony before the hearing. Members of the public may simply attend the public comment session, sign up to speak, and give oral testimony. Written copies of oral testimony may be submitted at the time. A written comment period will follow the hearing.

ACCESSIBILITY CONCERNS: The Commission is committed to creating an inclusive and accessible experience for all attendees. Individuals with accessibility concerns are encouraged to reach out to Tim Carr at tim.carr@maine.gov in advance.

FOR ADDITIONAL INFORMATION: A full copy of Wolfden's application for zone change may be viewed at:

- The LUPC's webpage on the project, https://www.maine.gov/dacf/lupc/projects/wolfden/wolfden_rezoning.html
