

Wolfden Rezoning Application, Review Process: Estimated Timeline - 2023

The following is a general overview of the **timing of key phases** in review of the ZP 779A zoning application for the Pickett Mountain metallic mineral mine, planned development subdistrict (D-PD). The timeline is approximate, takes into account statutory and regulatory process requirements¹, and will be updated as the process moves forward. Note that the zoning application was submitted in January 2023 and that LUPC staff began review at that time.

All relevant notices and announcements will be sent to all Wolfden Rezoning Petition email subscribers (see https://www.maine.gov/dacf/lupc/projects/wolfden/wolfden_rezoning.html); and, when required by statute or rule, published in a legal notice in the Houlton Pioneer Times and the Bangor Daily News.
