REQUEST ADDITIONAL PAPER MAPS:

With each presentation, you may request an additional set of paper maps at no charge. Please contact Bill Hancock to request this material.

REQUEST DIGITAL DATA (GIS DATA):

If you have GIS capabilities, you may request a CD containing digital data at no charge. Please contact Bill Hancock to request this material.

UPDATED TOWN/REGION MAPS AVAILABLE:

To view updated maps of any towns/region go to www.beginningwithhabitat.org, go to 'The Maps', then 'Request Maps.' Select the letter of the town/region you are interested in. All up-to-date maps will be viewable in PDF format. This website is updated as new maps are created, and as older maps become unavailable. *NOTE: Not all towns/regions will have updated maps available.*

NATURAL RESOURCE PROTECTION ACT (NRPA) INFORMATION:

Data requested for Natural Resource Protection Act (NRPA) purposes (such as inland waterfowl and wading bird habitat, seabird nesting islands, shorebird areas, and tidal waterfowl and wading bird habitat) should be obtained from Maine DEP. Visit their website (<http://www.maine.gov/dep/gis/datamaps/>) to download this data in shapefile, KML, and PDF formats.
