

PARTNER WITH MAINE CONSERVATION CORPS

APPLICATIONS DUE IN THE FALL FOR
THE FOLLOWING SEASON

Field Team Partnership Opportunities:

6-Person Team

"Full Teams" – composed of 1 Team Leader, 1 Assistant Team Leader and 4 Team Members. These teams welcome local volunteers, but are able to complete projects with minimal support. \$4,500/wk

3-Person Team

"Mini Teams" - composed of 1 Team Leader and 2 Team Members. A good choice for smaller projects. A Mini Team will assure that your project makes progress - with or without volunteers on a daily basis. \$2,850/wk

***"MCC field teams have been instrumental in building and maintaining sustainable trails on many of our preserves. These trails provide safe and engaging access to Maine's great outdoors for the enjoyment of the local community."
- Nancy Sferra, The Nature Conservancy***

The Mission of the Maine Conservation Corps is to accomplish conservation initiatives that inspire people and enhance communities.

The Maine Conservation Corps (MCC) is proud to support the AmeriCorps movement that unites diverse Americans to improve our communities.

MCC serves on land open to the public.

Projects have included:

- Sustainable trail building
- Bridge and boardwalk construction
- Stone steps and erosion control structure construction
- Invasive species removal
- Boundary line maintenance
- Corridor and drainage maintenance

MCC Provides:

- ✓ Living allowances
- ✓ Recruitment and selection of members
- ✓ Training for leaders and members
- ✓ Chainsaw training
- ✓ Hand tools & power tools
- ✓ Camping gear
- ✓ Transportation for teams
- ✓ Liability & worker's compensation insurance
- ✓ Promotion of volunteer events
- ✓ Ongoing job readiness training for members
- ✓ General project management

Partners Provide:

- ✓ Fee for service
- ✓ Project materials and delivery
- ✓ Housing/campsite for Field Teams
- ✓ Specialized equipment, if needed (ATV, tractor)
- ✓ Regular communication with MCC staff
- ✓ Feedback on the team

Who are the members of Maine Conservation Corps?

- Age 17+ with the majority between the ages of 20 and 25, but there is no upper age limit
- Approximately 60% come from out of state
- Variety of education backgrounds
- All are eager to learn and serve

"I most enjoyed watching myself become a stronger person. Seeing my growth in the wilderness of Maine has opened my eyes to places I never thought I would go."

A partnership with MCC will support the next generation of conservation enthusiasts.
