Ms. Metcalf,

We did end up placing the application on Hold, which extends our deadline indefinitely, although we are still working to complete our review as soon as possible. My hope is to issue a draft within the next two weeks but due to the complexity of the project and the multiple staff members involved, it may take longer.

Best,

Dear Ms. MacNeil:

When we spoke on this matter in early December, 2019, you indicated that the governing statutes required a decision on Mr. Spinney's application(s) by January 7, 2020, but also noted that you may be compelled to extend, alter, or table action given the changes in the application.

Please advise what the current status is. You will recall that I represent the Philbrick family over whose property Mr. Spinney claims a right of access and over which the Sportsman's Club has no deeded right of access.

Thank you.
