To whom it may concern,

We are residents of Northport, Maine at 132 Bayside Road. Our property of 8+ acres has 400+ feet of water frontage opening onto Penobscot Bay, literally feet from the Little River opening.

We purchased our property in the fall of 2016 and have spent many dollars reconstructing it. Of course we would not have purchased this property had we known there were imminent plans to put a large scale
