CORRECTION REQUEST *(APPROVED)*
Mailing address

Correct the state for the mailing address. It looks like it should be the Vermont location for Casella not Maine.

Certification Statement

Upon the approval by the Department of Environmental Protection, a permit will be issued and sent to the applicant. The applicant should read the permit carefully to become familiar with any conditions. Failure to comply with conditions of approval may lead to enforcement action or the revocation of a permit.

By signing this application, the applicant certifies that they have:

(1) published the public notice form once in a newspaper circulated in the area where the project is located if applicable

(2) sent a copy of the public notice form to the owners of property abutting the land upon which the project is located

(3) sent a copy of the public notice form to the chief municipal officer and chair of the municipal planning board of the municipality in which the project is located

(4) filed a complete copy of this application in the municipal office of the municipality in which the project is located

(5) reviewed the instructions contained in this application form, and

(6) reviewed the appropriate state laws that relate to the proposed project.

If a DEP employee assisted with my application: I understand that the DEP employee who input my application information into the MELS system acted solely in an administrative capacity and exercised no influence or discretion over the content or substance of the information provided therein, and that such assistance does not constitute legal or professional advice, nor does it constitute an official determination regarding eligibility or approval. I further understand that I am solely responsible for ensuring that the application materials are accurate, complete and timely, and I agree that DEP shall not be held liable as a result of providing such assistance to me.

I certify under penalty of law that I have personally examined the information submitted in this document and all attachments thereto and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe the information is true, accurate, and complete. I authorize the Department to enter the property that is the subject of this application, at reasonable hours, including buildings, structures or conveyances on the property, to determine the accuracy of any information provided herein. I am aware there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

- I acknowledge that, if a permit is issued, employees and agents of the Department have the rights of inspection and entry as provided in statute or rule, including 38 M.R.S. § 347-C.
- I acknowledge I have received, or will apply for, the applicable and necessary environmental or land use licenses, permits, or authorizations related to this project as may be required by any governmental agency.
