RE: Application for Minor Revision
Juniper Ridge Landfill

Dear Mr. Pelletier:

The Department has received the above noted application for the Juniper Ridge Landfill located on Bennoch Road in Old Town, Maine. The application was received by the Department on June 1, 2021 and assigned DEP #S-020700-WD-CM-M. Please refer to this number in future correspondence related to this project.

This application complies with the submission requirements of Maine's *Solid Waste Management Rules* and was considered acceptable for processing as of June 16, 2021. However, the acceptable for processing determination is not a review of the sufficiency of the information and does not preclude the Department from requesting additional information during processing.

Please feel free to contact me at 207-480-9493 or my email at susan.parmelee@maine.gov if you have any questions regarding your application.

Sincerely,

Susan Parmelee
Landfill Licensing and Compliance Specialist
Division of Technical Services, Bureau of Remediation and Waste Management
