Photophobie (Miso ezokoka te pole to mwinda)

Kizunguzungu

Mbala mingi bilembo ebandaka na eleko ya mikolo minei sima ya kokutana na moto aza na mikrobe wana, kasi ekoki kozwa moko kino komata mikolo zomi pona kobima.

Solola na monganga na yo soki okanisi ete oza na maladi ya Méningocoque. Docteur akoki kozwa makila to maï na mukwa ya mukongo po na kosala ekzame ya maladi ya Méningocoque. Bakoki kosalela ba antibiotiques po na kosalisa maladi oyo.

Bato oyo Baza na Likama Mingi

Moto nionso akoki kozwa Méningocoque, kasi ezwaka mingi:

Bana mike

Bana

Bana-Kelasi oyo bafandaka na ba dortoirs

Makambo mosusu eza bato oyo babelaka tango nyoso pe basala mibembo na Afrique sub-saharienne.

Bokutani ya Pene

Bato oyo bazalaki na bokutani ya pene bakoki komela kisi po na komibatela. Bokutani ya pene ekoki kozala:

- bato ya libota
- bokutani ya bolingo
- baninga ya kosakana na esika babatelaka bana
- bato oyo bapesanaki bize to baliaki to bamelaki elongo

Osengeli komela ba antibiotique na eleko ya bangonga 24 sima ya kokutana na moto aza na maladi wana to komela yango kozanga kozela.

Komibatela

Mangwele eza lolenge malamumu penza ya komibatela na Méningocoque. Solola na monganga na yo po na koyeba soki oza na nzela.

Mangwele ekoki te kokanga nzela po obela te lolenge nyonso ya maladi oyo, yango wana eza na tina ozala na bizaleli malamumu, neti kopema mingi pe kozala te pene ya bato oyo bazobela.
