Subject: Annual Infectious Disease Conference on November 16, 2016

Date: October 13, 2016

There is still time to register for the Maine Center for Disease Control and Prevention Annual Infectious Disease Conference. The conference will be on November 16, 2016 at the Augusta Civic Center. Early Bird registration ends October 17 and exhibit space is still available.

Since 1983, the Maine Center for Disease Control and Prevention, Department of Health and Human Services has organized annual conferences targeting public health issues of emerging concern to health care practitioners throughout the State. This year's conference will continue this tradition, and will offer engaging plenary sessions with breakout sessions highlighting emerging and existing issues, particularly as they impact the Maine medical community.
