TTY: Dial 711 (Maine Relay)

To: Maine Immunization Providers
From: Maine Immunization Program (MIP)
Subject: Flu vaccine update
Date: October 18, 2019

The Maine Immunization Program no longer has the 0.25mL dose of Fluzone vaccine available to order.

The following presentations of influenza vaccine are currently available to order through our program:

Trade Name/NDC #	MIP ordering recommendations for specific patient population	Presentations
FluLaval / 19515-0906-52	Children 6 months or older	0.50mL prefilled syringe
Fluzone / 49281-0419-50	Children 6 months or older	0.50mL prefilled syringe

If you have any questions, please contact us at (207) 287-3746.

Thank you for your dedication to keep the people of Maine free from vaccine-preventable diseases.
