**Re:** Information memo sent to members about the Affordable Care Act (ACA) and MBCHP

---

Dear Provider:

Starting October 1, 2014 we will be sending a letter to women applying for and/or reenrolling in the MBCHP to clarify how the ACA may or may not effect MBCHP. We are enclosing a copy of this letter for your reference and in case you get questions from your MBCHP enrolled women.

MBCHP sent out a ListServe email with this information.

We will also be posting a copy of the letter on the MBCHP website on the "How to Join MBCHP" page as well as the "Information for MBCHP Provider" page.

We want to thank you again for your ongoing support and commitment to the early detection of breast and cervical cancer.

If you have any questions about this memo, please contact me at 207-287-4101 or email [Eric.N.Spear@Maine.gov](mailto:Eric.N.Spear@Maine.gov) for assistance.
