innual basis. The consumer confide frinking water supplied to them as v	m, we are required to provide a consumer confidence report to our customers on an ence report provides customers with information regarding the source and quality of the well as information on any violations that occurred during that time period. In reconfidence report to our customers. To correct this issue, the CCR has been

## 2. Be sure to check off <u>TWO</u> methods of distribution (primary and at least 1 secondary method) and provide additional documentation:

## (Example of Primary Method)

	Mail notice that CCR is available on website Note: MUST include a direct URL (CCR must open when URL is clicked)	÷	Provide URL: Attach copy of notice (i.e. bill)
1	I	•	

## (Example of Secondary Method)

	Deliver to community organizations	$\rightarrow$	Provide list of facilities		
3. Be sure	not to "pre-date" the certification forr	n:			
Date CCR D	istribution Completed:				
Certification of Distribution and Accuracy of Consumer Confidence Report I certify that the information in the attached CCR contains all data and required language found in the Fillable CCR provided by DWP and that the CCR was distributed by the methods noted above.					
Licensed desi	gnated <u>operator:</u> Please print				
Signature:	Date:		(must be after date of distribution)		
-	of CCR, completed certification & accompanying ME DWP, 11 State House Station, 286 Water S	g documents to	<u>DWPMOR@maine.gov</u> , or mail to:		

4. If you are creating your own CCR, be sure to include <u>ALL</u> information listed in the DWP template.
