Shellfish Harvesting Area Classification – Notification of Changes

September 26, 2022

This notice is in effect until repealed or replaced.

Under the authority of 12 M.R.S.A. § 6172; the Commissioner has made the following changes to Growing Area EE, Swan's Island and Frenchboro. This notice reclassifies the area near Trafton Wharf (Swans Island) from Prohibited to Approved due to remediation of a pollution point source. An interactive map that allows the user to zoom in to specific areas can be found on the ME DMR website: <https://www.maine.gov/dmr/fisheries/shellfish/shellfish-closures-and-aquaculture-leases-map>. All existing pollution and biotoxin closures remain in effect.

The boundary descriptions of the area are as follows (struck text is being removed and underlined text is being added):

Prohibited: Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops taken from the shores, flats and waters of the following Prohibited areas:

- P1. Burnt Coat Harbor (Swan's Island): north and west of a line beginning at a point of land approximately 75 yards south of the old Boathouse Restaurant, running northeast to the southern tip of City Point.
- P2. Red Point (Swan's Island): south and west of a line beginning at the mouth of the Goose Pond Mountain Stream, running southwest to the tip of West Sister Island; AND north and west of a line beginning at the southwest tip of West Sister Island, running southwest to an unnamed point at the eastern end of Hero Beach.
- ~~P3. Trafton Wharf area (Swan's Island): east of a line beginning at the western tip of Store Point running southeast to the northern tip of Johnstons Island, AND north of a line beginning at the eastern tip of Johnstons Island running east to the northern tip of Dog Island; AND west of a line beginning at the northern tip of Dog Island running northeast to an unnamed point of land on the opposite shore.~~

Restricted: Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops (from aquaculture leases with an MOU only) from the shores, flats and waters of the following Restricted area without a special MDMR permit:

- R1. Mill Pond (Swan's Island): east of a line beginning at the northern tip of Store Point, running north to the southern tip of an unnamed finger of land on the north shore of Mill Pond.

Approved: All other shores, flats and waters not described in the above sections are Approved and it is lawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops (from aquaculture leases with an MOU only) when in the open status. For current status, please refer to the
