## LOBSTER AND CRAB BAIT DEALER

### ANNUAL REVIEW FORM

Chapter 25.11 of DMR regulations require lobster and crab bait dealers to develop a list of baits sold the previous year and baits they plan to sell the following year by February 1 annually. In addition, detailed records of each shipment of bait imported into the State of Maine shall be maintained by the purchasing dealer for a minimum of two years. Completed annual review forms and records of shipments should be made available on request.
