Correction to Approved Program Changes

Dear Ms. Leyden:

It has been brought to my attention of a typographical error in my February 1, 2007 letter to you approving the incorporation of changes to the Maine Coastal Program based on public laws enacted by the 122nd Maine Legislature.

Please note that in the table of changes approved that the legal citation for the Marine Resources Administrative Rules should be Ch. 505 and not Ch. 492.

In the public notice of the approval of these program changes, please ensure that the correct citation is used.

Thank you. Please contact Bill O'Beirne at (301)713-3155 extension 160, if you have any questions.

Sincerely,

John King, Chief
Coastal Programs Division
