

**Elementary and Secondary Education Act**  
**Title II, Part A | Title IV, Part A**  
**Final Equitable Service Percentages for Fiscal Year 2027**

The equitable service percentage listed below is only applicable if the non-public school, after consultation, indicates on the ESEA Non-Public Participation Form that it plans to participate in the Title II, Part A and/or Title IV, Part A program(s).

Equitable services for the Title II, Part A and Title IV, Part A are derived from a “per-pupil” formula. This formula takes into account a school district’s total enrollment and the percentage of district enrollment at the non-public school. Some non-public schools did not provide the Maine DOE with student enrollment data this year. These non-public schools may not be eligible for equitable services under the Title II, Part A or Title IV, Part A programs in the 2026-2027 school year.
