Frequently Asked Questions

1. Can my school access the ELO infrastructure even if we don't have a JMG program?

Answer:

Yes! The ELO infrastructure is available statewide to all publicly funded high schools in Maine, regardless of whether

your school has a JMG program. Our goal is to ensure every Maine student has access to high-quality, engaging Extended Learning Opportunities.

2. What kind of support does ELO Coaching provide?

Answer:

ELO Coaches provide personalized, hands-on support tailored to your school's needs. This includes:

- Brainstorming ideas for ELO programs.
- Connecting schools with community partners and resources.
- Offering training for educators and administrators.
- Supporting program implementation and expansion.

Our coaches are here to ensure your school has the tools and guidance to establish or grow a successful ELO program.

3. What is the ELO LMS, and how does it benefit my students?

Answer:

The ELO LMS, powered by Canvas, is a learning management system designed to help students earn core and elective credits through Extended Learning Opportunities. It provides:

- A library of high-quality ELO content, including courses, modules, and assignments.
- Tools for educators to track and measure student performance.
- Resources aligned with Maine Learning Standards and JMG's 30 Core Competencies.

This system makes it easier for students and educators to access, manage, and succeed in ELO programs.

4. Are the professional development (PD) opportunities eligible for teaching certification contact hours?

Answer:

Yes! All professional development offerings through JMG's ELO infrastructure, whether in-person, virtual, or asynchronous, are eligible for teaching certification contact hours. Certificates are provided to participants upon completion of the training.

5. How can I learn more about the content available on the ELO LMS?

Answer:

For a full listing of ELO courses, modules, and content available on the LMS, visit our interactive [Course Catalog](#). You'll find resources designed to align with diverse teaching strategies, learning styles, and credit attainment requirements as well as Curriculum Crosswalks and Sample Syllabi.
