Proposals will be accepted from vendors not currently on the PQVL as long as this RFP is active. Proposals submitted by each bi-annual enrollment deadline will be evaluated and the vendors will be notified of the decision within 30 days.

A. Evaluation Process - General Information

1. An evaluation team, comprised of qualified reviewers, will judge the merits of the proposals received in accordance with the criteria defined in the RFP, and in accordance with the most advantageous financial and economic impact considerations (where applicable) for the State.
2. Officials responsible for making decisions on the selection of a contractor shall ensure that the selection process accords equal opportunity and appropriate consideration to all who are capable of meeting the specifications. The goals of the evaluation process are to ensure fairness and objectivity in review of the proposals and to ensure that the contract is awarded to the Bidder whose proposal provides the best value to the State of Maine.
3. The Department reserves the right to communicate and/or schedule interviews/presentations with Bidders if needed to obtain clarification of information contained in the proposals received, and the Department may revise the scores assigned in the initial evaluation to reflect those communications and/or interviews/presentations. Interviews/presentations are not required, and changes to proposals will not be permitted during any interview/presentation process. Therefore, Bidders should submit proposals that present their rates and other requested information as clearly and completely as possible.

B. Scoring Weights and Process

1. **Scoring Weights:** The score will be based on a 100-point scale and will measure the degree to which each proposal meets the following criteria.

Section II. Organization Qualifications and Experience (65 points)

Includes all elements addressed above in Part IV, Section II.

Section III. Cost Proposal (35 points)

2. **Scoring Process:** For proposals that demonstrate meeting the eligibility requirements in Section I, the review team will use a consensus approach to evaluate and score the sections above. 3. **Negotiations:** The Department reserves the right to negotiate with the successful Bidder to finalize a contract at the same rate or cost of service as presented in the selected proposal. Such negotiations may not significantly vary the content, nature or requirements of the proposal or the Department's Request for Proposals to an extent that

may affect the price of goods or services requested. The Department reserves the right to terminate contract negotiations with a selected Bidder who submits a proposed contract significantly different from the proposal they submitted in response to the advertised RFP. In the event that an acceptable contract cannot be negotiated with the highest ranked Bidder, the Department may withdraw its award and negotiate with the next-highest ranked Bidder, and so on, until an acceptable contract has been finalized. Alternatively, the Department may cancel the RFP, at its sole discretion.

C. Selection and Award

1. The final decision regarding the award of the contract will be made by representatives of the Department subject to approval by the State Procurement Review Committee.
2. Notification of contractor selection or non-selection will be made in writing by the Department.
3. Issuance of this RFP in no way constitutes a commitment by the State of Maine to award a contract, to pay costs incurred in the preparation of a response to this request, or to pay costs incurred in procuring or contracting for services, supplies, physical space, personnel or any other costs incurred by the Bidder.
4. The Department reserves the right to reject any and all proposals or to make multiple awards.
5. Selection to be included on the PQVL is not a guarantee of work.
6. Updated documentation pertaining to Certification of Insurance, Certification/Licensure, and Rates will be required to be submitted to the RFP Coordinator by all Providers on the PQVL on an annual basis.

D. Appeal of Contract Awards

Any person aggrieved by the award decision that results from this RFP may appeal the decision to the Director of the Bureau of General Services in the manner prescribed in [5 MRSA § 1825-E and 18-554 Code of Maine Rules, Chapter 120](#). The appeal must be in writing and filed with the Director of the Bureau of General Services, 9 State House Station, Augusta, Maine, 04333-0009 within 15 calendar days of receipt of notification of contract award.

Since this RFP results in a PQVL, the appeal procedures mentioned above are available upon the original determination of that vendor list. The appeal procedures will not be available during subsequent competitive procedures involving only the PQVL participants if cost is the sole determining factor.

E. Removal from Pre-Qualified Vendors List

The Department may remove a pre-qualified vendor from the PQVL at any time, upon giving 30 days' written notice to the pre-qualified vendor, if the Department determines that during the pre-qualification term:

1. The pre-qualified vendor failed or refused to perform its contractual obligations,
2. The pre-qualified vendor's performance was unsatisfactory including, but not limited to, the quality and timeliness of services provided,
3. The pre-qualified vendor no longer has the ability to perform the services specified in this RFP, or
