

HOP Service Provider Grant Frequently Asked Questions

Last updated: August 11, 2026

Q: Do I need to submit municipal letters in support of the proposed projects in my grant application?

A: No. There is no requirement in the Program Statement for applicants to submit municipal letters as part of their application. It is optional.

Q: If I am a regional council applicant, should I include an LD 1184/LD 2079 data collection technical assistance project as part of my application?

A: No. The Housing Opportunity Program will contact regional councils to discuss LD 1184/LD 2079 data collection outside of this grant.

Q: In the application, do we need to set specific dates/months or durations for our tasks?

A: Please be specific as possible in your application with dates/month and duration of each project task. HOP acknowledges that these are proposed dates and are subject to change.

Q: What is the approximate start date for the period of performance?

A: HOP anticipates the period of performance starting on October 1, 2026 (subject to the contract approval process).
