5. Provide a list of providers of postsecondary education (below) for which the company provided student financing to students residing in Maine during calendar year 2023. For each provider of postsecondary education, you must provide the number of student financing transactions made during calendar year 2023.

Name of school	Number of transactions
1 NCFC does not make or extend private student financing to students	
2 residing in Maine or any other state. NCFC is a subsequent purchaser	
3 and holder of private education loans that were originated by other	
4 lenders. Further, many of the private education loans that NCFC holds	
5 are refinance loans that the original lender did not make to a school.	
6 For these reasons, NCFC does not have any postsecondary education	
7 provider information on the private education loans it holds.
