

Hello,

My name is Katina Cassidy. I have worked in multiple towns as a Motor vehicle agent, tax collector, and general assistance. I wore a lot of hats and titles. I wanted to help serve my local towns and assist them in any way I can so, I applied for the municipal coordinator position and here I am.

I am five years married to an amazing husband who supports all my journeys through life. I have an amazing son in the State of Texas, four stepchildren, and six step-grandchildren.

I love doing crafts, the outdoors, camping, hiking with my fur babies who are two lovable mischievous fur kids. They always keep me going and on my toes. They do love their treats and their tennis balls.

I cannot wait to meet all of you and visit all the towns! Here's to new adventures in the great State of Maine.
