

Trisha Leathers

Municipal Coordinator

Trisha has worked for the Bureau for almost 8 years including time spent at the branch office, mobile unit and registration department. The newest member of the team, Trisha grew up in the small town of Gardiner. She currently lives in Readfield with her boyfriend and teen-aged stepson. An ardent dog-lover, she is a sucker for any four legged creature who needs a home. She brings with her a willingness to help customers, her sharp wit, sarcasm and an occasional sigh.
