The court has received the mandate in the above-captioned case. Pursuant to the Law Court's August 13, 2020 decision in docket Cum-20-181, 2020 ME 109, this court now issues a declaratory judgment that the citizen-initiated "Resolve To Reject the New England Clean Energy Connect Transmission Project" fails to meet the constitutional requirements for inclusion on the ballot because it exceeds the scope of the legislative powers conferred by Article IV, part 3, section 18 of the Maine Constitution.

The clerk shall incorporate this order in the docket by reference pursuant to Rule 79(a).
